Dear Oklahoma Women:

I am excited to send this packet to you for our 2008 Gals Getaway Retreat at Dry Gulch USA. This is always a great women's event and we have some new things scheduled for you this year.

Enclosed in this packet is all of the information you will need: (1) Group Registration Form; (2) Items to Bring and Activities Page; (3) Assumption of Risk Form; (4) Special Project: "Shower" Information Page; (5) Needs List page for Shower; (6) Request for Vendor Booth Form; (7) Large Retreat Poster; and (8) Small B&W Retreat poster that can be copied.

Edna Wagers is returning as our speaker—she is a dynamic and unique preacher. Heidi Hewuse and the Woodlake Praise Team, Tonya Rohr, Christian comedian, and the CBC Drama Team will all help us **Experience freedom, Embrace worship, and Encounter God!**

New this year is our special project which is a *Shower* for Hillcrest Children's Home and Highlands Maternity Home. They will be bringing a truck to carry back everything we bring for the shower. Let's fill that truck!

Swimming will be one of our new activities this year. Please remember to wear modest swimwear—a cover-up will be needed to go from the dorms to the pool.

Please note the pre-registration deadline is September 5. There is only room for 600, so get your registration in early! Don't miss this time of refreshing, renewal, and revival!

Sincerely in Christ,

Linda Stamps-Dissmore
Oklahoma Women's Director
